

# Meeting Christ In Prayer

## An 5-Week Prayer Experience

*Meeting Christ In Prayer* is an engaging 5-week series of prayer experiences. It is modeled on the Spiritual Exercises of St. Ignatius of Loyola. By means of prayer, reflection, and faith sharing, participants learn about various ways of praying, begin to form regular prayer habits, and have the opportunity to meet Christ anew. As a participant, you will commit yourself to meeting once a week for 5 weeks and to praying daily, using the guided exercises provided.

*Meeting Christ In Prayer* offers you the opportunities to

- Learn how to pray as an adult
- Deepen your spiritual life
- Form regular prayer habits or try new ways of praying
- Reflect on Scripture
- Join a supportive community and share your faith with others
