Meeting Christ In Prayer

An 8-Week Prayer Experience

Meeting Christ In Prayer is an engaging 8-week series of prayer experiences. It is modeled on the Spiritual Exercises of St. Ignatius of Loyola. By means of prayer, reflection, and faith sharing, participants learn about various ways of praying, begin to form regular prayer habits, and have the opportunity to meet Christ anew. As a participant, you will commit yourself to meeting once a week for 8 weeks and to praying daily, using the guided exercises provided.

Meeting Christ In Prayer offers you the opportunities to

- Seek spiritual renewal
- Learn how to pray as an adult
- Deepen your spiritual life
- Form regular prayer habits or try new ways of praying
- Reflect on Scripture
- Join a supportive community and share your faith with others
- Become more aware of God's presence and action in your life
