

NEEDED – KIDS' BOOKS
READING LEVELS 2ND TO 8TH GRADE
BRING TO YOUR CLASSROOM BY JUNE 4th!

Dear Parents,

The school year is racing to an end, but we are here to ask you one more time to open your hearts...and empty your bookshelves! No, we are not asking for ALL your books, but we would like to collect good, but no longer needed books to help the De La Salle Blackfeet School improve their reading skills. Mrs. Stack's (5-8 Math) daughter Kelly has just graduated from the University of Illinois with a degree in elementary education. She is choosing to spend her first year of teaching at the De La Salle Blackfeet School in Browning, Montana. This is where our Youth Ministry Group (under Mrs. Mary Miller) has sent several youth service trips over the past few years. The school operates 99% on donations. Any books with reading levels from 2nd grade through 8th grade would be awesome. Kelly went to St. Pet's, so she knew this was the right place to come and ask for help in securing good used books.

We are asking you and your kids to be willing to share your love of learning and your gently used books. We know it is a very busy time, but we also know that St. Pet's families always come through! Since Pat & Kathy Stack will be driving Kelly to Montana, they will have room to bring LOTS of books, thus saving on shipping costs.

Please send your kids to school with any books you are willing to share. Thanks so much for always being willing to help out!
