Dear School Parent:

The St. Petronille School Board is seeking candidates for the Board election scheduled May 8th and 9th. Participation on the Board is a very rewarding experience. I encourage all parents to consider Board membership.

The School Board has nine members. Three members are elected every year to three-year terms. The major role of the Board is to provide policy direction to the school. This role involves the Board in the following activities:

- Formulating short-range and long-range strategic plans;
- Developing policies to guide administrative action and evaluating policy implementation;
- Adopting budgets and identifying funding sources;
- Serving as a public relations source by communicating with various constituencies.

School board members need to attend monthly meetings and possess the time, willingness and organizational skills to work on projects with fellow board members and others, as necessary, to accomplish the Board's goals.

Technology, law, finance, investments, development and long-range planning are some of the critical skill sets of the Board.

If you are interested in becoming a Board member, please complete the application form and return it to Dr. Kelly on or before March 15. Please contact any Board member if you have any questions about the Board and its activities.

Sincerely,

Rita Hatfield
President
