

This year I will be an intern working for Alexian Brothers Parish Services, and part of my time will be spent here, in partnership with the school. I graduated from Creighton University in 2010 with a Bachelor's Degree in Psychology, and am now working towards a Master's in Counseling from the Adler School of Professional Psychology. Throughout the 2011-2012 school year, I'll be at St. Pet's every Thursday sharing an office with Kathy Gudonis, your school's social worker. I am thrilled to be working with your children this year, and have already begun introducing myself to the students. I look forward to getting to know everyone and should you have any questions, please feel free to contact me at the school, (630) 469-5041 ext. 3102
