Parents,

Band For Today will be providing a group piano program for K-3rd graders at St. Petronille's. We hope you take the time to enroll your child in this worthwhile activity. Here are some things to consider:

AN ENRICHED LIFE FOR YOUR CHILD THROUGH MUSIC

Just listening to music is fun, and yet it's even more fun to create. There is a simple joy in experimenting with an instrument, in playing real notes and melodies, and in performing.

This is the time for you to consider how music enhances your child's education
