## HSI-03 "Pre-Algebra Mathematics"

### ESPECIALLY FOR GRADES 5-8

**What:** A six week summer course that reviews pre-algebra mathematics. This course will especially help junior high students who wish to start high school algebra with a STRONG foundation.

**When:** June 14-July 22, with class meetings at St. Francis on Monday and Wednesday mornings from 9-11 a.m. or at BU on Tuesday and Thursday mornings from 9-11 a.m. (your choice)

**Tuition:** \$395 plus books

**Features:**

- the manipulation of fractions and decimals
- percents and exponents, especially squares and square roots
- the meaning and arithmetic of positive and negative numbers
- the distributive property and its importance
- how to "read" word problems that apply the above concepts
- how to use fully a calculator as an investigative tool
- the role mathematics plays in today's world
- taught by Steve Crosby, Benet Academy's freshman algebra teacher.

**To register:** Mail the attached application and a \$100 deposit (check or credit card) to: Class Coordinator, Junior High School Institute, P.O. Box 211, Winfield, IL 60190. For more information, call Mr. K (the Class Coordinator) at (708) 651-4356 after 4:30 p.m. or
