

ST. PETRONILLE SCHOOL

PERMISSION FOR FIELD TRIPS IN THE GLEN ELLYN AREA

In connection with the educational program at St. Petronille School, we are asking for your consent to take your child on trips in the Glen Ellyn area during the school year. This authorization will eliminate the need for special permission before each trip and will assure each child an opportunity to be included in such events.

Generally, these trips are made during pleasant weather when the children can walk. Occasionally, the trip may require transportation.

This authorization covers only the trips in the Glen Ellyn area. For any trip outside Glen Ellyn, we will ask your special permission and will plan far enough in advance for children and parents to take care of budgeting, if any financial obligation is involved.

A notice will be sent home informing you of any field trip, whether in or outside of the Glen Ellyn area.

Name(s) of child (ren)

Name _____	Grade _____

Name _____	Grade _____

I give my permission for my child (ren) to go on school or classroom trips in the Glen Ellyn area during the elementary school year of 2011-2012.

If parent drivers are used, we request that our child be allowed to ride in a car driven by a volunteer parent. All parents acting as volunteer drivers have provided a copy of their proof of insurance to the school office. No driver will take more children than the number of seat belts in the car. All drivers will follow the prescribed schedule.
